

Mad River Township Trustees called a special meeting Monday Sept 29, 2014. The meeting was called to order at 7:13 pm. The meeting opened with the Pledge of Allegiance.

Trustee Estep explained the special meeting was called for, but not limited to, discussing the results from Eggeman Engineering and Consulting regarding the drainage review of critical locations. At this time, Trustee Estep turned it over to Kristin Eggeman. Ms. Eggeman reviewed the report she provided to the trustees.

Trustee Catanzaro asked what the next step is. Ms. Eggeman suggested sitting down with all the stakeholders and prioritizing the immediate needs and then coming up with a master plan.

She suggested we look at safety fund monies.

Ned Clark asked about the area south of Stine Road. Ms. Eggeman explained that she was only tasked with certain trouble areas.

Pam Weaver asked about a ditch between the farm and her property if it would provide immediate relief.

Kathy Voytko asked about zoning.

Ned Clark asked if she could work with the village.

A discussion ensued regarding what the next step should be. This will be discussed in a worksession with the village and county representatives. The next work session will be Monday Oct. 13 at 7:00 pm.

Trustee Catanzaro motioned to adjourn, seconded by Trustee McClure, all trustees voting yes.
